

AFRICA INSCRIBED TRAVEL BAGS

Detailed information about packing & luggage restrictions can be found in the connect documents section of this manual.

It is important to re-itinerate the luggage restrictions for air transfers to all clients.

Luggage, including hand luggage, is restricted to **44lbs per person in Southern Africa** and **33lbs in East Africa**.

Only soft bags will be accepted, no hard suitcases can be transported, as they physically cannot fit into the aircraft luggage pods.

The maximum dimensions of the soft bags that can be accommodated are as follows:
10 inches wide x 12 inches high and 24 inches long

Africa Incribed will include complimentary soft-sided travel bags where applicable. These bags are ideal for safari as they are within the restrictions and will be accepted for light aircraft flights in both East and Southern Africa.

Who qualifies to receive Africa Incribed Travel Bags?

Each client with a minimum spend of US\$ 5,000 per person, subject to the trip being booked and confirmed 60 days or more prior to the intended day of departure.

How will the clients get the Africa Incribed Travel Bags?
